miracles served daily

The Official Hip Hop Chef ® (Tye)

On behalf of 180°Kitchen and City of Refuge I would like to thank you for your generous gift of your time, energy, staff, and menu that fed over 300 homeless women and children on September 27th, 2012. Your commitment of giving back to the community is sincerely appreciated.

Each year City of Refuge and the 180°Kitchen continues to advance its mission of helping people pull themselves out of poverty, creating success out of difficulty and despair. City of Refuge provides a lifeline, opportunity and hope to the last, lost and least of Atlanta. Through our community assistance, youth programs, housing, and job training and education, we have seen many lives changed for the better.

In particular the 180° Kitchen has enjoyed great success in the past year feeding over 19,000 people a month. We continue to strive to make a difference in the community with well directed programs that will have both an immediate and permanent positive impact on the surrounding community. I sincerely appreciate your contribution to our success. Thanks again for your generous support
